Dear Mr. Holtz,

The Daily Beast has posted the following statement above the July 19, 2016 article about your speech to the Republican National Coalition for Life:

The Daily Beast ran a story on July 19, 2016 with the headline “Lou Holtz at RNC Says Immigrants Are Deadbeats Invading the U.S.” In his speech, Mr. Holtz did not say that immigrants are deadbeats, nor did he use the word “deadbeat” at all, and we are happy to have corrected the headline to reflect this at the time. While The Daily Beast stands by the rest of its story, we recognize that Mr. Holtz also spoke to the audience about his poor grandparents, who themselves immigrated to the United States and were processed through Ellis Island. The Daily Beast sincerely regrets the error in the headline and that Mr. Holtz was embarrassed and hurt by this error.

Very truly yours,
